The Client and The Company agree as follows:

1. The Services

- A. Origami Stables will provide client with access to one riding lesson per week, and two unmounted group horsemanship classes per month. The riding lessons will either be a 30 minute private, 45 minute semi-private of 2, or 1 hour group of 3 or more. **Origami Stables will be closed 6 weeks per year to give the lesson horses a break, allow students to compete at large away horse shows, to run special events, and even to give riding instructors a break.** The weeks that we are closed will be communicated via the attached calendar and available on our website and Facebook page.

- B. Riders will be automatically grouped together with riders of similar ability and level. This is paramount to our barn culture and philosophy of creating a community that encourages camaraderie, friendship and support. We feel this leads to higher quality riding, lessons, and just plain more fun.
- C. Riders will start with a 30 minute private lesson until their instructor recommends they are ready to join an appropriate group lesson. This could be at the same time as the group they will join, depending on instructor availability.
- D. Clients will receive access to a 30 minute goal setting session every semester (Jan, May, Sep).

2. Client Requirements

- A. Client must show up on time. For beginners this is 5-10 minutes before the start of your lesson. As you/your child progresses this will increase to however much time needed to catch and prepare the assigned horse. If you are late your lesson will still end on time so as to not run into the next lesson time slot.
- B. Client must be wearing proper riding attire- boots with heels, schooling breeches/leggings and a properly fitted helmet. New to riding families please purchase a helmet from me or an approved tack store where the staff can ensure the helmet fits properly. Helmets purchased online may not fit the way you think it will.
- C. Client must follow the barn rules contained in the release form and student expectations attached.
- D. Client must be coachable, positive, and have a good attitude!
- E. We are trying to build a family-like community full of people like YOU, and after the 4th lesson we generally like to ask for the name of 1 person who you would like us to contact and invite to join the program.
